BOATS

The word "BOATS" is written in a large, bold, pink sans-serif font. It is decorated with several yellow bananas with green stems. One banana is positioned at the top of the 'B', another at the top of the 'A', and two others are at the bottom of the 'B' and 'S' respectively. In the background, there is a light green stylized boat with a large sail, all contained within a light gray circular frame.
